RENOVATED RESORT

HAVE A TASTE OF EVERYTHING

A fresh take on family vacations in the French West Indies

Thirty years ago in Guadeloupe, on Grande-Terre near the colorful Pointe-à-Pitre, Club Med selected one of the island's most beautiful fine, golden sand beaches to establish its resort. Renovated in the tropical spirit of the Caribbean, near the emerald sea, Caravelle gives you a taste of water sports and taking it easy in privileged surroundings, open to the culinary flavors and culture of an island of variety. Bathing in these warm waters, you will wish days could go on forever.
